I am writing the FEC in response to a letter received asking our PAC to explain if we had any administrative fees. We pay one person, whose name is Chantal Wienecke, as a consultant who is paid hourly. She handles our day to day operations and Hoosier PAC reimburses her. These checks written are noted in our Year-End Report.

If we have misunderstood what the FEC was asking, we apologize in advance and ask that you send another letter, so that we may correct it.

Thank You.
